Multi-source music with high quality sound: introducing Sony's New Walkman®, NW-ZX507

- **Enjoy Hi-Res sound with advanced audio technology**
- **Experience multi-source music including your favourite streaming services in high quality**
- **Premium design for luxurious listening**

Sony today announces its new Walkman®, NW-ZX507, enabling you to experience multi-source music with Android™[\[1\]](#) and Wi-Fi. Simply access songs in-device via your favourite streaming and download services, without compromising on high quality sound.

[Tuneful technology](#)

Experience high quality audio on the NW-ZX507 thanks to \times 4.4mm balanced connection along with DSD Native (11.2MHz)[\[2\]](#) and 384kHz/32bit PCM playback supported by S-master HX™. You can immerse yourself in Hi-Res Audio. There is also DSEE HX™ support which upscales your existing music to near high-resolution quality. The DSEE HX™ processor even works while you're streaming music[\[3\]](#). Additionally, the NW-ZX507 supports Hi-Res Audio Wireless by LDAC so now you can enjoy Hi-Res with your favourite listening style.

Supreme audio is achieved with ease on the NW-ZX507 thanks to its premium build. The chassis consists of an aluminium milled frame and copper milled block to achieve clear and powerful sound, while the newly developed FTCAP (high polymer capacitor) and Electric Double-Layer capacitor work together to ensure bold bass levels. Audio parts, including an excellent solder and fine soundresistor enable clear vocals and sound, enhancing every detail of your favourite songs.

Expand your music collection

With Android™ and Wi-Fi, you can access millions of songs with ease to stream or download with your favourite apps right on your Walkman®, or you can connect to your PC to access your music collection. Listening to your favourite songs has never been easier.

Luxury listening

With a 3.6inch HD screen complete with touch panel, you can listen in style. There is also a convenient USB Type-C™ port and micro SD card slot along with physical side keys for ease of use. Available in black, the NW-ZX507 gives you authentic sound with a compact, sleek body. Plus, with a battery life of up to 20 hours[\[4\]](#), you can listen to album after album without worry.

Compatible with the Sony Original Music Player App, customise your sound for your best listening experience yet.

The NW-ZX507 model (64GB) will be priced at approximately £750 / €870 Ireland and available from November 2019.
